ELECTRICAL SERVICES (N.I.) LTD.
11 MICHELIN ROAD, MALLUSK,
NEWTOWNABBEY, CO. ANTRIM, BT36 4PT

BUILDSAFE (NI) INITIATIVE

B.I Electrical Services (NI) Ltd was the first Electrical Contractor to obtain third party accreditation through the CASEC Worksafe scheme, confirming that we meet the required standards specified by the Government's Buildsafe (NI) Initiative which was implemented on 30th April 2006.

Achieving this accreditation under the CASEC Worksafe scheme puts us in a great position within the industry - it gives us an edge over our competitors and ensures that our company maintains one of it's top priorities being Health & Safety.

Ian Humphreys, Managing Director (Left) receiving Certificate from B.M. Trada
